Dear All,

It gives me immense pleasure to introduce the STaRT 2022 (10th Edition) to all of you. I am sure you will find the information about the enhanced version of this pioneer event as interesting as the event itself has been envisaged, in its current avatar.

In my teaching career of 27+ years, I have experienced that if we are determined to work towards exploring our true potential then excellence naturally follows. The faith shown by 9,50,000+ students who have shown faith in Resonance since its inception in 2001, stupendous success of almost 50,000 students who have been selected in JEE (Advanced)/ IIT-JEE, 2.37 Lakh students selected in JEE (Main)/ AIEEE & 17,500+ students selected in NEET (UG)/ AIPMT have made us humble and confident on our teaching methods, our guiding philosophy and have strengthened the bond of trust between us and students, parents & schools.

Student Talent Reward Test (STaRT) is a National Talent-O-Meter of Resonance which offers unique opportunity for every student and a step towards knowing where a student stands, as it unearths his/her talent at a national level. The results arrived at through STaRT provides us a fair idea about the standing of the child in terms of the academic aspects. It is a sort of mock drill to prepare the students for the future challenges. Some of the prominent benefits of STaRT can be summed up as under:

- It assesses the skills and intelligence of the child in the particular streams thereby helping to make the informed decisions regarding his/her future.
- it acts as a refresher of the academic syllabus studied in the earlier/current classes.
- It helps instil the mind frame of early planning in the students and their mentors owing to the stage wise structure.
- It helps inculcate the zeal and positive spirit among students through exposure to the competition at a national level.
- This works wonders for your confidence, sets you in the right frame of mind and goes a long way in achieving greater success.
- STaRT also greatly helps schools/associates/education assistance centres via the wide exposure, national recognition, excellent PR exercise without any additional expenditures. In fact, it is a medium to polish the real gems of the schools and introduce them to the world.

Apart from these, STaRT offers exciting rewards (including Cash Prizes, Edutours & Special Rewards) worth Rs. 1 Crore and scholarships amounting upto ₹60 Crores. These rewards & immense benefits and utmost focus on the transparency makes STaRT one of the most sought after events of the education industry.

In its earlier editions so far, 7,24,700 students from amongst 4774 schools (Who had consented to conduct the STaRT) have participated in this exam. We have witnessed that the sincere performers of STaRT have achieved big in their careers ahead in various streams including Engineering, Medical, Management, Administration etc.

I am pretty sure that it will do a world of good for the competitive spirit of school's students and teachers alike.

My best wishes are always with you!

STaRT Now, Be a Winner.

Your Sincerely

R. K. Verma

ARYA MAJI
AIR-1
Class VI (West Bengal)

I am Arya Maji, a student of class VII. I have participated in ResoSTaRT exam for the first time in 6th Standard and secured All India Rank- 1. The exam was conducted in two stages and the questions in both the stages were interesting and tricky. It helped me to understand my potential at national level and it also boosted my confidence level. I think, it will be very helpful for my future exams. Presently, I am a student of PCCP division of Resonance. The study materials and mentors of Resonance are extraordinary. I am enjoying the journey with Resonance.

SUMANT GUPTA
AIR-1
Class VII (Delhi)

My name is Sumant Gupta. I have participated in both stages of STaRT exam conducted by Resonance and got AIR 1 in Class VII. The STaRT exam is a good platform to filter talent, analyse the aptitude of the candidates and guide them accordingly. On the basis of my Rank, I got the Cash Reward and the Scholarship too. Now I have joined Resonance online course and feel that the Teachers are very supportive and motivating and the course content as well as the test series are best amongst all. Resonance is one of the premier institutes when you think of JEE and NEET (UG) preparation. I would recommend Resonance to all future JEE and NEET (UG) aspirants. Thanks a lot RESONANCE.

BHAVYA SHARMA
AIR-1
Class X (Raj.)

मेरा नाम भव्य शर्मा है। मैंने कक्षा 10वीं में रेजोनेंस की स्टार्ट परीक्षा में भाग लिया था और मैंने ऑल इंडिया रैंक-1 प्राप्त की। स्टार्ट के दोनों स्टेज 1 एवं 2 दोनों के पेपर बहुत ही अच्छी क्वालिटी के थे और साथ ही इसमें कंपटीशन भी नेशनल लेवल का था मेरी रैंक के अनुसार मुझे कैश अवार्ड और स्कॉलरशिप भी मिली। अब मैंने रेजोनेंस के साथ अपनी जेईई एडवांस्ड की तैयारी शुरू कर दी है और यहां पर सभी फेकल्टी, स्टडी मैटेरियल और टेस्ट सीरीज बहुत ही अच्छी है। स्टार्ट जैसे बड़े एग्जाम में मिली रैंक और रेजोनेंस की टीचिंग मेथाडोलॉजी से अब मुझे पूरा कॉन्फिडेंस है कि मैं जेईई एडवांस्ड में भी एक अच्छी रैंक लेकर आऊंगा

*Congratulations
& Best Wishes*
